**3.4.1 Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the last five years.**

### **Response:**

Chandigarh Engineering College, CEC – Jhanjeri, gives a lot of importance to holistic development and societal needs by motivating students and conducting many activities focusing on social issues during last five years. Extension programmes like NCC (all wings) and NSS have been made an integral part of the curriculum to encourage students to participate in community building processes. Social outreach programmes like camps, rallies and awareness/training programmes are organized to sensitize various sections of the society on Institutional Social Responsibility.

### **National Service Scheme (NSS):**

The NSS has carried out various activities for the students amid the unforeseen pandemic situations. Camps for Sapling Plantation, and Awareness programs like Mask Awareness, Cleaning Awareness, Vaccination Awareness, field works for Grocery distribution were conducted. NSS volunteers have organized an Yoga Programme to inculcate the importance of Yoga to maintain healthy life among the school students and have themselves involved in the “Drug addiction” Awareness Programme”.

NSS brings together the people through services like donating personal protective equipments like masks, sanitizers and hand gloves to social workers during COVID pandemic. Programs for providing food, grocery items to old age homes and needy were also organized. Camps and Awareness programs like Pulse Polio Immunization camp, Blood Donation camp, Clean India project, Dengue Awareness cycle rally, AIDS Awareness program, Cancer Awareness program were organized. Independence Day, Teachers Day were celebrated inside the campus.

### REPUBLIC DAY CGC JHANJERI BY OUR NCC CADETS

Republic day was celebrated at 1/26/2022 in which 70 cadets marched and shown there discipline and patriotism towards nation. Looking back at the history of India, when the country marks and celebrates the date on which the Constitution of India came into effect on 26 January 1950, replacing the Government of India Act 1935 as the governing document of India and thus, turning the nation into a newly formed republic

.The day also marks the transition of India from an autonomous Commonwealth realm with British Monarch as nominal head of the Indian Dominion, to a fully sovereign republic in the Commonwealth of Nations with the President of India as the nominal head of the Indian Union.

### TREE PLANTATION BY 3RD PB AIR SQUADERN NCC , PATIALA

Tree plantation done by our NCC cadets on CGC Jhanjeri Ground on 9/11/2021 by 18 cadets. A tree plantation, forest plantation, plantation forest or timber plantation is a forest planted for high volume production of wood, usually by planting one type of tree as a monoculture forest.

Plantation forestry a high volume of wood in a short period of time. Plantations are grown by state forestry authorities (for example, the Forestry Commission in Britain) and/or the paper and wood industries and other private landowners (such as Weyerhaeuser, Rayonier and Sierra Pacific Industries in the United

States or Asia Pulp & Paper in Indonesia). Christmas trees are often grown on plantations, and in southern and southeastern Asia, teak plantations have recently replaced the natural forest.

Industrial plantations are actively managed for the commercial production of forest products. Industrial plantations are usually large-scale. Individual blocks are usually even-aged and often consist of just one or two species. These species can be exotic or indigenous.
