

Chandigarh Engineering College

Jhanjeri, Mohali-140307

5.1 Alumni Engagement.

5.4.1 There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

Response:

The CGCJ Alumni Association (CGCJAA) was registered with the Application No. 220913333, under Punjab Society Registration Act on 25.11.2022. Chandigarh Engineering College is one of the three beneficiaries which are enlisted in the by-laws of CGCJ Alumni Association. It has a good linkage between institute and alumni. CGCJAA aspires to connect alumni with the institution, build synergistic plans to help the institution realize its vision, and enable the institute to add value to all of its stakeholders. The alumni association aids in the development of a network of alumni as well as keeps in touch with the business world. Every year, the Alumni Association, with the help of Management, conducts an Alumni Meet, where alumni from all branches are welcomed to express their thoughts and suggestions on the scope of their course, as well as to raise knowledge of the professional world. This allows alumni to reconnect with one another and share their prior experiences and memories.

Alumni contributions to the development of the institution:

Enriching the Curriculum:

Alumni are engaged in identifying the curricular gaps and help in modifying the course modules. Every week webinars are conducted for technical topics by these alumni

Technical Sessions:

The alumni association assists in the organization of interactive sessions to educate current students about the employability and educational opportunities available abroad. Alumni serve as resource people for a variety of events such as seminars, guest lectures, workshops, and weekly webinars and also as judges to judge technical events.

Industry Relations:

Alumni who are entrepreneurs arrange industrial visits for students and provide advice on how to start a new venture in order to turn them into job providers. The Alumni Association extends its support for student internships.

Placements Support:

Many alumni hold prominent positions in well-known industries. The opportunities available within their organizations are shared with students, and many qualified students have been recruited with the assistance of alumni.

Financial Contribution:

The Alumni towards this association are not only provided placement support but they have also stood up and supported the institute by providing donations/financial assistance and also donated trees to keep the environment of the campus clean and positive.

Distinguished Alumni Award:

During the annual alumni meet, distinguished alumni who are at the top of their organizations and have made major contributions to the nation and society are honoured.

Research and Consultancy:

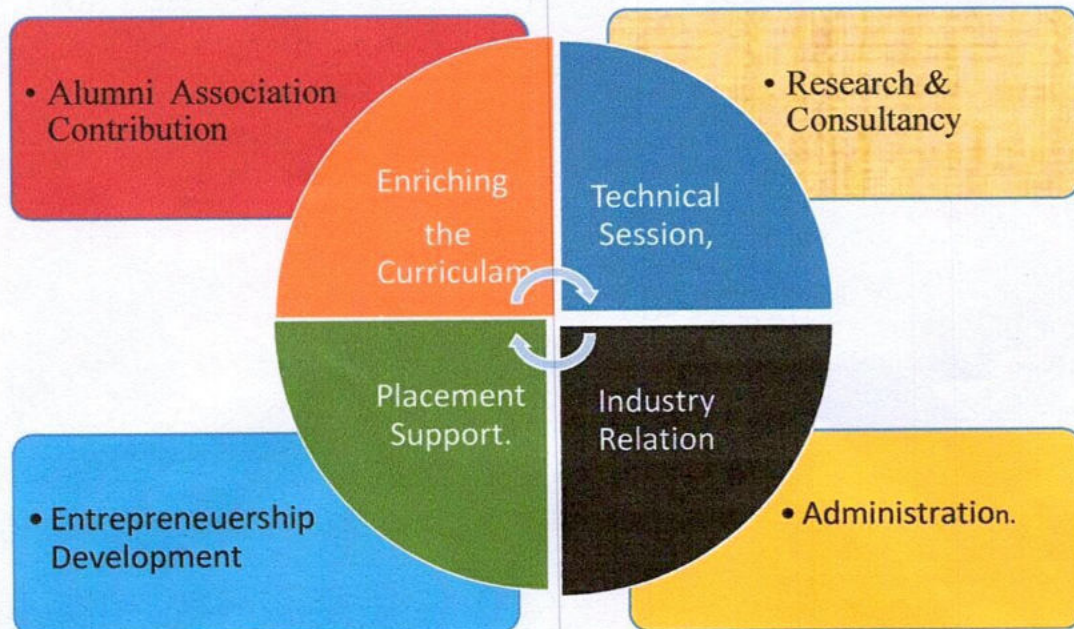

Alumni assist departments by directing entrepreneurs to carry out consultancy work in various engineering sectors.

Entrepreneurship:

Through the Entrepreneurship Cell, alumni entrepreneurs provide mentorship to aspiring entrepreneurs, promoting campus start-ups.

Administration:

Alumni are members of IQAC and contribute to the development of a quality system that is responsive to current industry trends and standards.

Report of Event

This year Alumni Meet was held on 30th April 2022 at CGCJ. The event started in the evening at 7 pm by inviting the Alumni on the stage for the Oath Taking Ceremony. The Oath Taking Ceremony was followed by honouring the Alumni with memorandums. More than 80 Alumni hit the ground for the meet. Alumni were called onto the stage to share their experiences. The experience-sharing activity continued for an hour which in turn gave the audience a sneak peek into their journey and experience at CGCJ. The event was summed up with a Dance Party followed by dinner for everyone.
